WORLD'S BEST GRAFFITIBEATER TURBINE SYSTEM

AT LAST! A NEW WAY TO PAINT OUT GRAFFITI QUICKLY AND
EVEN FASTER THAN IT GOES UP ...

THE WORLD'S BEST GRAFFITIBEATER TURBINE SYSTEM

WORK FAST, WORK SMART

Quick color changes - No special skills needed - Second coat ready to do in minutes - Cut in or fog to blend.

NO MESS, NO FUSS

Easily cleaned - Low maintenance - No mechanical problems.

ECONOMICAL, FUN AND SAFE TO USE

Huge paint savings of nearly 40% on other conventional spraying systems, which means it will pay for itself in just weeks - No overspray - No fumes or mist - GraffitiBeater Turbine has a massive 86%+ transfer efficiency rate (compare to conventional compressor spraying's 48% or airless spraying's 58%) - The hardest thing about using these fabulous units is getting them back from the person you lent it to!
